"Daniel Low's" Is More Than a Jewelry Store!

It is a leather goods store, a stationery store, a china and cut glass store, a half a dozen giff shops — all in one. And more: It carries twice as much Jewelry and silverware as the ordinary jewelry store, not to mention scores of other things not found in any other store.

How many of the following are there that you "did not know Low's carried"?

PEABODY STREET AND HOUSEHOLDERS' DIRECTORY

The street directory gives the location of each street and shows what other streets or places run from or across it. The house numbers are given in the left and right hand columns, with the names of heads of families and persons in business, in the order of location.

Houses without numbers are indicated by a — and the dash is also used opposite connecting streets to indicate whether such streets begin or end on the left or right side.
